

# FA 400.2 Premium Shredder

**FEATURES:** Designed for destroying large amounts of media and for continuous operation.

- Material infeed via a conveyor belt—for optimum loading and maximum throughputs.
- Practical loading table for simple loading.
- Touch-sensitive keypad for continuous and reverse operation.
- Crosscut models can cut up to approximately 120 sheets per run; Strip cut: up to 180 sheets per run (see specifications).
- Auto stop with LED indicates when shred-bin bag is full.
- Automatic reverse for paper jams.
- Convenient trolley with extremely sturdy, reusable shred-bin bag.
- Very sturdy gear motor with chain drive for maximum throughputs.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Transportable on wheels.
- Table extension available as accessory upon request.
