

FA 490.1 Premium Shredder

FEATURES: Designed for destroying large amounts of media and for continuous operation.

- Material infeed via a conveyor belt—for optimum loading and maximum throughputs.
- Practical loading table for simple loading.
- Touch-sensitive keypad for continuous and reverse operation.
- Crosscut models can cut up to approximately 420 sheets per run; Strip cut: up to 250 sheets per run (see specifications).
- Auto stop with LED indicates when shred bin is full.
- Automatic reverse for paper jams.
- Convenient trolley with extremely sturdy, reusable shred-bin bag.
- Very sturdy gear motor with chain drive for maximum throughputs.
- Transportable on wheels.
